

## **Aptitude Assessment for Students**

### **Student Instructions**

Dear Student,

We shall be conducting Aptitude assessment tests for you. We shall use the Graphy platform of Constellation for taking the test. In this document, we have explained the process of accessing the platform and taking the test.

### **Test Links**

We shall conduct one mock test with five questions which you can attempt to become familiar with the platform. We shall then provide you the actual tests as per schedule notified by your institute.

The Mock test is of 15 minutes duration and has 5 questions. Complete the test as per the schedule with date and time provided to you.

The Assessment tests will be on specific dates and times. The duration of the assessment tests is 50 minutes.
